**QZA International presents titanium alloy made eyelash extension tweezers which have very flexible tips (low density and high strength). Each tweezers has weight about 8 gm, which is 40% lighter than other stainless alloys. Titanium made tweezers are extremely corrosion free and stain free. Our Titanium tweezers are also have a high heat resistance, in excess of 400 degrees Celsius, and are completely non-magnetic. Titanium tweezers are highly resistant to corrosion in sea water/salt water, aqua regia and chlorine. Safest tweezers in the world; no infection no allergy.**
